

setup

```
graph LR; A[setup] --> B[wifi_load_credentials]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'setup'. The right box is gray with a black border and contains the text 'wifi_load_credentials'. The arrow points from the right side of the 'setup' box to the left side of the 'wifi_load_credentials' box.

wifi_load_credentials
