

include/user_interface
/wifi_portal.h

```
graph TD; A["include/user_interface/wifi_portal.h"] --> B["Arduino.h"]; A --> C["Preferences.h"];
```

The diagram illustrates a C++ header file structure. At the top, a box labeled 'include/user_interface/wifi_portal.h' has two blue arrows pointing downwards to two separate boxes: 'Arduino.h' on the left and 'Preferences.h' on the right. This indicates that the 'wifi_portal.h' file includes both 'Arduino.h' and 'Preferences.h'.

Arduino.h

Preferences.h
